A WAR GARDEN

Oh, come into the garden, Maud,
And help me pick the stuff.
Our garden isn't very broad,
But has done well enough.

I tended all the plants with care
And now the crop is good.
I guess that we have done our share
At multiplying food.

THE AMERICAN TOBACCO CO.

PUBLIC LIBRARY REPORT

There were 869 visitors at the Public Library during the month of August and 613 books were taken out.

Jess Gaither was excused as a regular jurymen in the Mason Circuit Court yesterday and the Sheriff was ordered to have some one else to take his place next Monday morning. The petit jury was excused from service until Monday.

Kirk Bros. have accepted the Mayville agency for the Ford automobile.

FIVE MORE MEN

Certified For Service By District Board, Which Also Recalls Albert C. Savage, Who Had Been Wrongfully Certified.

The County Exemption Board yesterday received a telegram from the District Board at Lexington stating that Albert C. Savage had been wrongfully certified for service and that he should therefore not be included in the first five per cent to leave. Mr. Savage claimed exemption for being a farmer and it is thought that he will not have to report until later.

The District Board yesterday certified five more men for service and they will have to answer the call within the next few days. The men certified were:

Harold Hunter Irwine, Washington. Grover C. Lauderback, Mayville. James S. Hines, Springdale. John J. Ennis, Mayville.

Walter R. Selby, Mayville. Because of the fact that Mr. Savage will not have to go with the first five per cent, two more men were ordered to report at the headquarters of the Draft Board this afternoon at 4 o'clock. Those to report are John J. Ennis and Harold Hunter Irwine. It is not known as to which of the young men will have to go but it was thought best to have one to act as an alternate in case another was unable to leave.

The County Board was unable to act on any claims yesterday, but expect to begin work this morning. The following who claimed no exemption have been certified to the district board, as ready for military duty: John H. Straubach, John W. Cole, John L. Threlkeld, William L. Ryder, Richard D. Stigney, Walter Seamond, John L. Young, Lee Porter Ray, Foster White, Fred W. Mains.

WORLD'S SERIES

Begins October 6; West Again Gets Chance for Flag—Plans Being Made For Big Event in New York and Chicago.

New York, September 6.—The National Commission has decided to begin the world's series on Saturday, October 6. The pennant races will end on Thursday of that week with the Giants and White Sox prospective winners.

If it is decided by lot to open the series at the Polo Grounds, the first two games will be played on Saturday, October 6, and on Monday, October 8. In the event the rival champions will spend Tuesday, October 9, on the road to Chicago, where two games will be played October 10 and 11. Then will come another railroad jump, October 12, so that the fifth game, if necessary, can take place at the Polo Grounds on Saturday, October 13.

In case of an opening in Chicago, the first two games will be played on Saturday and Sunday, with Monday, October 8, spent in journeying East. If Chicago and New York are the contenders, they will surely whoop things up. It will be the West's first chance in seven years to take part in the title conflict.

REV. RUGGLES MAKES GOOD AT EWING

The Ewing Inquirer says: The members of the Ewing M. E. Church should feel justly proud of their pastor, Rev. J. F. Ruggles. For the many years in which he has conducted the finances of the church during the last conference year. We learn from good authority that every member of the church were liberal in their subscriptions and that every dollar subscribed has been paid to the treasurer. The church including the Ladies' Aid have received and paid out more than \$750 during the last conference year for pastor salary.

Superintendent claim and for benevolences and other necessary expenses of the church when taken in consideration that this church only has sixty members, some of which are children, it is a remarkable showing and the church is to be complimented on being able to secure the services of such an efficient pastor and just before going to press we learn that Rev. Ruggles has been returned for another year. Rev. Ruggles is also pastor of the Forest Avenue M. E. Church at Mayville.

WANTED CHILDREN'S CLOTHING AND SHOES

Every day dozens of school children call at the Mission for clothing and shoes. They are unable to attend school on account of the need of same. If you have any garments or old pairs of shoes that your children have outgrown or do not need, kindly send them to the Mission; if you have no children in your home help to educate and make some child happy by sending a few yards of gingham or calico, to make a little girl a dress or a boy's waist, their garments will be made at the Mission Home and your kindness will be greatly appreciated.

Where the income is only \$6 or \$8 per week for a family of six or eight members with the high cost of living, there is no money left for clothing after grocery bills and rent is paid. We must recognize the rights of the child our future men and women.

DEATH OF MRS. PAUL TIERNEY

Mrs. Paul Tierney, aged 76 years, one of Mayville's highly respected residents, passed away at her home in East Third street yesterday afternoon at 3 o'clock after a long illness of a complication of diseases and the infirmities incident to old age. She is survived by her husband. The funeral will be held tomorrow morning at 9 o'clock from St. Patrick's Church. Burial in the Washington Catholic cemetery.

POULTRY ASSOCIATION

To Be Organized in Mason County—Will Receive Co-operation of Government and Progressive Men of County.

A movement is afoot to organize a Mason County Poultry Association. The intention of the men in charge is to encourage the breeding of fancy poultry and demonstrate to the outside world that Mason County can produce as fine birds as to be found anywhere.

Already there are quite a few breeders of fancy birds and with the proposed co-operation of the government and the progressive men of Mason County, it will not be long until some of our larger cities will have to sit up and take notice.

It has been suggested, by those in position to know that Mason County is to be taken under the wings of the government through its County Agent, in the near future, in respect to encouraging the breeding of fine stock and poultry.

The local men also feel the need of a like organization in order that the desired success be had at the poultry exhibition at the coming Corn and Tobacco Fair. They want all fanciers and prospective fanciers to get in touch with Mr. George Dodson, H. P. Purcell, or the Secretary of the Chamber of Commerce, that desire membership in the proposed association.

The petition requesting the formation of such an association contains the name of quite a few of our most prominent men, but it has been thought wise to delay the call of an organization meeting until some public notice has been given, as it is more probable that some who are unknown or have been thought of might have been missed.

If you haven't fancy birds but are interested in them, make it known to them before mentioned, and we will assure you that it won't be long until the neighbors will be remarking, "What fine fowls our neighbors have."

ON SPECIAL TRAINS

Five Thousand Kentuckians Will Be Sent To Camp on Next Call.

Frankfort, Ky., September 6.—Arrangements for the special trains to carry 5,710 members of Kentucky's quota of the National Army to the Louisville cantonment during the five days, commencing Wednesday, September 19, will be completed this week. The Louisville & Nashville Railroad Company will run specials during one of the days over every one of its lines. The Illinois Central, Henderson Route and Chesapeake & Ohio also will handle the men from their territories on specials. In addition, plans are made for extra coaches on regular trains to gather the men from points near Louisville.

Milton Smith, of the Louisville & Nashville Railroad Company, has been designated to route the men in Kentucky, and is preparing schedules that include the mobilization of men from inland points at their point of entertainment and the ration schedule for all the trips. This latter is being simplified for the Adjutant General's department by the railroads furnishing box lunches at certain designated points.

The men will arrive in Louisville at the rate of about 1,200 a day.

CIVIL SERVICE EXAMINATION

The United States Civil Service Commission announces an open competitive First Grade or Classical Examination to be held in the Government Building, this city, on September 29, 1917. This examination is for the position of clerk, storekeeper, gauger, and storekeeper-gauger in the Internal Revenue Service and in other positions that require similar qualifications.

For application blank (form 1371) see the Secretary of the local Civil Service Board at the Mayville Postoffice, who will give the necessary instructions as to filing.

Vice President of Morgan's Men In Meeting at Olympia Springs—Former Governor McCreary Makes Address.

Olympia Springs, Ky., September 6.—The annual reunion of the John H. Morgan Confederate Veteran Association opened here yesterday. The annual election of officers resulted as follows: President for Life, John A. Lewis, Georgetown, Ky.; First Vice President, S. G. Sharp, Covington; Second Vice President, W. H. Robb, Helena Station, Ky.; Secretary, H. M. Taylor, Carlisle, Ky.; Assistant Secretary, Frank C. Taylor, Carlisle, Ky.; Chaplain, E. H. Lee, Falmouth, Ky.

A speech made by former Governor James B. McCreary evoked applause. A resolution framed by him, after being adopted by the organization, was sent to President Wilson.

MESSENGER KILLED

Ashland, Ky., September 7.—Thursday afternoon Express Messenger Deitz, running on C. & O. train No. 3, was killed by the door of his car striking him in the head. No further particulars obtainable.

Prof. John Adams, who has been attending the institute at Flemingsburg and Mayville, returned to his home at Franklin, Ky., where he is principal at the Franklin High School.

While in the county, he visited his mother, Mrs. Eva Adams, and brother and sister, Vaughn Adams, and Mrs. Joe Conley, of this place.—Ewing Inquirer.

The recent rains have made a wonderful improvement in the growing tobacco crop and one can almost see the crop grow. Barring an unusually early frost Mason county will have a fairly good crop, but it not believed that it will weigh as heavy as last year's crop.

WANTED

FIFTY MASON COUNTY FARMER BOYS, BETWEEN THE AGES OF 10 AND 18 YEARS TO JOIN OUR

MASON COUNTY HEIFER CLUB

Believing that the future progress and prosperity of Mason County depends upon the continuing development of its Agricultural interests and the business efficiency of its future Farmers, with the hope of being able to aid in those directions, we have decided to organize a Heifer Club for the Farmer Boys of Mason County.

ABOUT THE FIRST OF SEPTEMBER, 1917, we are going to purchase Fifty Grade Shorthorn Heifers, about eight months old and weighing about 600 pounds, which we will distribute among the first fifty Mason County Farmer Boys, between the ages of 10 and 18 years, that apply for and agree to care for same and that can execute a bankable note covering the cost of the Heifer; which note shall be payable in the fall of 1918.

The Heifers will be bought by expert cattlemen connected with the Extension Service of the State College of Agriculture and be distributed among the boys by lot. Each boy will be given the same chance to make good, and required to become a member of the Mason County Boys' Agricultural Club and to care for the Heifer under the directions of the County Agent; to have the Heifer bred to a pure bred Shorthorn Bull, this fall, and to have her and her offspring ready for public exhibition and sale in the fall of 1918.

You will not be expected to put up a cent of money now; but, you must properly care for the Heifer, and pay for it later and all the increase and profit will be yours.

About \$100 will be given away in prizes to the boys getting the best results, with their Heifers, at the exhibition to be held in the fall of 1918.

For full particulars call at Bank or see Mr. E. F. Boyd, Jr., County Agent, at once, as we want to close entries to the club by September 1st.

We are anxious to help Boys that are willing to work and learn.

MORE PROMISSORY NOTES

The Secretary of the Navy announces his plans for "the biggest fleet of torpedo destroyers in the world." The prodigality with which Mr. Daniels issues promissory notes of this kind is equaled only by the facility with which he has hitherto departed from programmes announced with similar superlativeness, and by the dilatoriness with which he proceeded to the work of warship construction which was authorized by the Congress which came to an end in March, 1915. The battleships which that Congress voted were hardly to be found, even in the egg, when this war began for us; and one of the first things which the present year's legislation produced was an appropriation of \$115,000,000 to "speed up" the programme of naval construction upon which Mr. Daniels had lain down for two years. That represents one item of money cost thrust upon the country by the Daniels method of managing the Navy Department. How many others there may be will probably not be known until Congress is called upon to appropriate more money to pay the bill. Yet the proposal to set up a joint committee of Congress to scrutinize the expenditures of the war is regarded by Mr. Daniels as an attempt to hamper the executive department of the government—already hampered and handicapped well-nigh beyond reparation by men of the Josephus Daniels type of mind.

The Kaiser's boast of six sons given to war is dimmed of some of its glory by the fact that all of them are still "alive and kicking." Liberally pensioned princes either have charmed lives or they are skilled in keeping out of bullet range.

This is in some measure "a rich man's war," after all. For example, Benjamin Throop, a young millionaire of Scranton, Pa., has enlisted—as a private, too.

If the Kaiser reads the Congressional Record he finds a good deal to comfort him.

Too Many Operations

The Right Medicine in Many Cases Does Better than the Surgeon's Knife. Tribute to Lydia E. Pinkham's Vegetable Compound.

Doctor Said Operation or Death—But Medicine Cured.

Des Moines, Iowa.—"My husband says I would have been in my grave today had it not been for Lydia E. Pinkham's Vegetable Compound. I suffered from a serious female trouble and the doctors said I could not live one year without an operation. My husband objected to the operation and had me try Lydia E. Pinkham's Vegetable Compound. I soon commenced to get better and am now well and able to do my own housework. I can recommend Lydia E. Pinkham's Vegetable Compound to any woman as a wonderful health restorer."—Mrs. BLANCHET JEFFERSON, 703 Lyon St., Des Moines, Iowa.

Another Operation Avoided.

Richmond, Ind.—"For two years I was so sick and weak from female troubles that when going up stairs I had to go very slowly with my hands on the steps, then sit down at the top to rest. The doctor said he thought I should have an operation, and my friends thought I would not live to move into our new house. My daughter asked me to try Lydia E. Pinkham's Vegetable Compound as she had taken it with good results. I did so, my weakness disappeared, I gained in strength, moved into our new home, do all kinds of garden work, and raised hundreds of chickens and ducks. I cannot say enough in praise of Lydia E. Pinkham's Vegetable Compound."—Mrs. M. O. JOHNSON, Route D, Box 190, Richmond, Ind.

Of course there are many serious cases that only a surgical operation will relieve. We freely acknowledge this, but the above letters, and many others like them, amply prove that many operations are recommended when medicine in many cases is all that is needed.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

CONSTIPATION

And Sour Stomach Caused This Lady Much Suffering. Black-Draught Relieved.

Meadersville, Ky.—Mrs. Pearl Patrick, of this place, writes: "I was very constipated. I had sour stomach and was so uncomfortable. I went to the doctor. He gave me some pills. They weakened me and seemed to tear up my digestion. They would gripe me and afterwards it seemed I was more constipated than before. I heard of Black-Draught and decided to try it. I found it just what I needed. It was an easy laxative, and not bad to swallow. My digestion soon improved. I got well of the sour stomach, my bowels soon seemed normal, no more griping, and I would take a dose now and then, and was in good shape."

I cannot say too much for Black-Draught for it is the finest laxative one can use. Theodor's Black-Draught has for many years been found of great value in the treatment of stomach, liver and bowel troubles. Easy to take, gentle and reliable in its action, leaving no bad after-effects. It has won the praise of thousands of people who have used it.

AN ORDINANCE

AMENDING SECTION 3 OF AN ORDINANCE ENTITLED, "AN ORDINANCE TO PROVIDE FOR THE ELECTION OF A NIGHT SERGEANT, FIXING HIS DUTIES, AND COMPENSATIONS," AS ADOPTED DECEMBER 4th, 1916.

BE IT ORDAINED BY THE BOARD OF COUNCIL OF THE CITY OF MAYSVILLE:

That the ordinance entitled, "An Ordinance to provide for the election of a night sergeant, fixing his duties, and compensations," and adopted, December 4th, 1916, be and the same is now amended by striking out Section 3 of said ordinance and inserting in lieu thereof the following:

SECTION 3. His duties shall be to keep the records of the Police Department, answer all night calls in the office of the Chief of Police, and to be used as a regular patrolman in case of necessity. His salary shall be \$900.00 per year, payable \$75.00 per month. He shall be in regular Police Uniform while on duty, with his insignia of office on his cap and suitable badge.

SECTION 4. All ordinances in conflict herewith are now repealed and this ordinance shall be in full force and effect from and after its passage and publication, and after this termination of the term of the present incumbent. Adopted this 3rd day of September, 1917.

Attest:
G. WOOD OWENS, City Clerk.
Approved:
J. WESLEY LEE, Mayor.

CONTROL OF SUGAR INDUSTRY IS PLACED VOLUNTARILY IN HANDS OF FOOD ADMINISTRATION

Washington, September 5.—Control of the sugar industry in the United States was placed voluntarily in the hands of the Food Administration today by refiners' representatives, who agreed to import all raw sugar thru a committee to be named by Herbert Hoover.

Sugar bought recently will be proportioned among all the American refineries. The arrangement was made at a conference of representatives of virtually all sugar refiners in the country with Food Administration officials. "This arrangement," Mr. Hoover said, "will assure to the American consumer a fair and just price during the period of the war."

The agreement will hold for the period of the war.

The refiners agreed also today to accept a margin of profit to be worked out later and to abide by regulations the Food Administration may set governing their industry.

Cuban producers of raw sugar will confer with the Food Administration soon concerning the fixing of a voluntary price for their output.

Austria, it is estimated, contains two-elevenths of the world's total of sheep.

BRACKEN CIRCUIT COURT.

Chas. E. Curran, Plaintiff vs. Interlocutory Judgment. Audobon Mineral Water Company, etc., Defendants

By virtue of a judgment and Order of Sale of the Bracken Circuit Court, rendered at its June term, 1917, in the above styled cause, wherein the Farmers and Traders Bank of Maysville, Ky., was adjudged a first lien on the hereinafter described property for the sum of Nine thousand dollars (\$9,000.00), with interest at the rate of six per cent per annum from December 27, 1916, until paid and its costs herein expended, and Chas. E. Curran recovered a judgment against the defendants herein for the sum of One thousand dollars (\$1,000.00), with six per cent interest thereon, payable semi-annually from November 11, 1911, and its costs herein expended, and the Equitable Trust Co., of Dover, Kentucky, recovered a judgment against the defendants herein for the sum of Ten thousand dollars (\$10,000.00) with six per cent interest thereon, payable semi-annually from November 11, 1911, and its costs herein expended, and it was further adjudged by the court that the mortgage bond of the Plaintiffs, Chas. E. Curran, and the defendant, the Equitable Trust Co., of Dover, Ky., individually and as Trustee aforesaid, are of equal dignity and secured by a mortgage lien second and inferior to that of the Farmers and Traders Bank of Maysville, Kentucky, the Undesignated, Master Commissioner, will, in order to pay the above-mentioned judgments, on

SEPTEMBER 10, 1917,

at the hour of one o'clock p. m., on the premises, at Dover, Kentucky, upon a credit of six, twelve and eighteen months for equal parts of the purchase money, proceed to expose for sale, at public auction, to the highest and best bidder, the property described in the judgment and ordered to be sold in this action, to-wit:

A certain tract or parcel of land extending to the Ohio River, bordering on same, embracing the same boundaries on the river as were conveyed by C. O. Lyons and wife to James McMillan, and bounded as follows, to-wit:

Beginning at a stone in Donahue's line at or near Deltz's corner; thence with Donahue's line following the top of the road, S. 47 E. poles and 14 links; thence S. 72 E. 29 poles and 20 links; thence S. 75 E. 43 poles to a wire fence corner; thence S. 9 W. 66 poles crossing the road to the West side of the branch; thence down same N. 68 E. 26 poles; thence N. 66 1/2 E. 37 poles, N. 88 1/2 E. 68 poles and 15 links to a honey locust tree, corner to Cordry; thence with his line N. 41 W. 40 poles and 10 links; thence N. 54 W. 16 poles and 5 links; thence N. 62 W. 56 poles to a stake above the C. & O. Railway; thence N. 9 E. 98 poles to the top of the river bank; thence down same N. 76 W. 156 1/2 poles to Deltz's line; thence with his line S. 7 W. 113 poles to the beginning; containing 177 acres and 32 poles; but excepting out of same 4 acres previously conveyed to the Maysville & Big Sandy Railway Co., being the same land conveyed the Audubon Mineral Water Co., by Charles E. Curran by deed dated November 12, 1911, and recorded in the office of the Clerk of the Bracken County Court, D. B., Page....

The purchaser will be required to execute bonds with approved surety bearing interest at the rate of six per cent per annum from day of sale until paid and payable to the undersigned Commissioner in equal installments, and a lien will be retained on the property sold to secure their payment.

The purchaser shall have the privilege of paying the purchase price with accrued interest in cash at any time after the confirmation of the sale, and he shall have possession of said property on the 1st day of March, 1918, with the privilege of seeding in the fall of 1917.

HOME-READING COURSE FOR CITIZEN-SOLDIERS

(Issued by the War Department and all rights to reprint reserved.)

This course of thirty daily lessons is offered to the men selected for service in the National Army, as a practical help in getting started in the right way. It is informal in tone and does not attempt to give binding rules and directions. These are contained in the various manuals and regulations of the United States Army, to which this course is merely introductory.

LESSON NO. 23.

GETTING AHEAD IN THE ARMY

(Preceding Lessons: 1. Your Post of Honor. 2. Making Good as a Soldier. 3. Nine Qualities of a Soldier. 4. Getting Ready for Camp. 5. First Days in Camp. 6. Cleanliness in Camp. 7. Your Health. 8. Marching and Care of Feet. 9. Your Equipment and Arms. 10. Recreation in Camp. 11. Playing the Game. 12. Team Work in the Army. 13. Grouping Men into Teams. 14. The Team Leaders. 15. Fighting Arms of the Service. 16. Staff Branches of the Service—1. 17. Staff Branches of the Service, II. 18. Army Insignia. 19. The Army System of Training. 20. Close-Order Drill. 21. Extended-Order Drill. 22. Guard Duty.)

Since regimental and company officers have full responsibility for the efficiency of their teams they are given corresponding authority in promoting men from the ranks to positions as noncommissioned officers. For all practical purposes their judgment as to the men under them is regarded as final.

One point as to which you may feel assured is the earnest desire of every officer to give promotion to the men who are best qualified—in other words to select the men who have cultivated the soldierly qualities and in addition show capacity for further development and for leadership. The officers are fully as much interested in promoting men on the basis of merit as any of the men are interested in securing promotion. For the officers' own burdens are lightened and their success is increased almost in direct proportion to their ability to promote the right men.

Chances for Promotion

The first rank above private is corporal. The corporal should be a real leader. He is expected to be more familiar with the various manuals and regulations and with the duties of the men in the squad than are the men themselves. He is expected also to use his influence strongly toward building up soldierly qualities among these men.

Among the qualifications which all noncommissioned officers should possess the following have been selected by one military writer as being of the first importance:

1. Proficiency as guides in close-order drills, and particularly as column leaders in route marching.
2. Aggressive leadership, especially in drilling, marching, and fighting.
3. Ability to act as instructors.
4. Thorough knowledge of the elements of field service.
5. Thorough knowledge of interior guard duty.
6. Skill in range finding and in estimating distances so as to assist men in firing accurately.

7. Proficiency in leading patrols.

8. Ability to prepare written messages that are clear, complete, and concise.

9. Ability to sketch and read maps. This list will suggest some of the lines along which you should work, whenever you have the chance. Many of the non-commissioned officers in the National Army will be chosen, not only because of the knowledge or skill they already possess, but also because they show capacity for further development and for leadership.

Developing Soldierly Qualities
This question of winning promotion all comes back to the question of making yourself a thorough soldier, of demonstrating that you possess loyalty, disciplined obedience, physical fitness, intelligence, cleanliness, cheerfulness, spirit tenacity, and self-reliance—the nine qualities of a soldier.

The National Army must fit itself for effective service at the front in the shortest possible time. To accomplish this result it must produce out of its own ranks men who are fitted for promotion first to places as noncommissioned officers, either in the first contingent or more probably in later contingents.

This need is your opportunity. It is an opportunity not merely for personal advancement—which in time of war is a small thing to work for—but more than that, an opportunity to render to your country the most effective service of which you are capable. Strive to fit yourself for the duties and responsibilities of leadership. Make yourself count to the utmost in the victorious defense of American rights and principles to which the National Army will devote itself.

PRESIDENT'S REPLY TO POPE'S PEACE PROPOSAL TO BE USED IN CHICAGO SCHOOL BOOKS

Chicago, September 5—Students at the Hyde Park High School today for their first lesson of the fall term in English were handed copies of President Wilson's reply to the peace proposals of Pope Benedict XV. They will use as their text books for several days printed leaflets containing the note in full. "President Wilson's reply to the Pope should be clearly understood by every high school student," said Principal H. B. Loomis.

HEAVIER TAX ON RICH

Washington, September 5—The increasing feeling that the rich should be made to pay a larger share of the war cost than contemplated in the revenue bill as passed by the House was given expression in the unanimous vote with which the Senate adopted the amendment raising the tax on incomes of over \$500,000. Seventy-two Senators gave the proposition their approval. It is estimated that the tax will be paid by about 160 people, all of whom can very well afford to assume the burden. It will raise \$40,000,000, in addition to the bill as reported to the Senate. The tax bill take about 52 per cent of those high incomes, or a total of close to \$187,000,000. The proposed new rates will appeal to the great majority of the people, and it is highly probable that that particular part of the bill at least will be accepted by the House conferees, and remain a part of the law.

BATTLE IS FOUGHT BETWEEN KENTUCKY MINE STRIKERS AND WORKERS

Barbourville, Ky., September 5—A Sheriff's posse of 16 men is at Wilton tonight, where several hundred armed miners early today exchanged shots with company employees at the plant of the North Jellico Coal Company.

Striking miners, it is said, endeavored to turn back a number of miners coming to work, and, failing in this, opened fire on the power house, which was occupied by guards and employees remaining at work.

For half an hour bullets were exchanged without fatalities. Warrants have been issued against numerous striking miners, and the posse will try to serve these tomorrow.

Seven hundred union miners have been on strike at the Wilton plant for

The Type Used in One Year to Publish Endorsements of Doan's Kidney Pills.

Of the many kidney remedies on the market today, none other is recommended like Doan's Kidney Pills. Forty thousand benefited people gladly testify in the newspapers of their own towns. Forty-five hundred American newspapers publish this home proof of Doan's merit. The type used in one year to tell this wonderful story would make a solid column of metal twice as high as the world's highest mountain. Placed end to end the lines of type would reach from New York to Chicago. These miles of good words told by 40,000 tongues sound glad tidings to any Maysville sufferer who wants relief from kidney and bladder ills. Here's a Maysville case. Don't experiment. Use the remedy endorsed by people you know.

John J. Bramel, bookkeeper, Walnut street, Maysville, says: "Doan's Kidney Pills have been of great benefit to me and in fact, I attribute fourteen years of my life to them. It was in 1902 that I was suffering a great deal. After long use of Doan's Kidney Pills, I became well and had no bad effects for many years. Recently, however, I noticed my kidneys were not acting right and my system was generally weak. I knew it was a return of the trouble and I didn't lose any time in getting a box of Doan's Kidney Pills at Chanslor's Drug Store. They again gave me the same good results and I consider them a wonderful medicine."

Mr. Bramel is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mr. Bramel had—the remedy backed by home testimony. 60c all stores. Personals

Mrs. William Brown of Cincinnati, Ohio, is visiting her mother-in-law, Mrs. Mary E. McAtthey, 119 West Third street.

Sergeant Harry C. Grimesley of the National Guards was a visitor in the city yesterday. His company will leave for Hattiesburg, Miss., soon.

Miss Helena Nauman of the West End returned yesterday morning from a visit to Richmond, Va., Newport News, Old Point Comfort and points of interest.

Mr. Hugh Byron Gordon of Georgetown, Ohio, Prof. of Chemistry at Rutgers' College, New Brunswick, N. J., was the guest of his cousin, Mr. Gordon Gilmore, yesterday on his way East to resume his work.

Mrs. C. L. Mains of Minerva, returned Tuesday from Martinsville, Ind., where she has been for the past two weeks receiving treatment in the mud baths of that health resort. Her condition has not been improved as much as her friends had hoped.

Dr. and Mrs. W. H. Tanksley and children of Nashville, Tenn., who have been visiting relatives in this city, leave today for their home, accompanied by Miss Mary Dewees Poyntz, who will be their guest before returning to her home in Covington.

BIG COAL SHIPMENT

On Artificial Tide—Part of Cargoes Passed Here This Morning—Towboats Convey Over 750,000 Bushels of Coal to Cincinnati and Other Points.

Huntington, W. Va., September 7.—Between 750,000 and 1,000,000 bushels of coal from the Kanawha river section passed Huntington on barges during the day yesterday and last night, on an artificial wave, caused by manipulation of the dams in the Ohio and Kanawha rivers.

During the forenoon yesterday, the towboats Sallie Marmet, Eugene Dana Smith and the Harry Andrews passed, each carrying several big barges, four abreast. Other towboats passed at various times during the day and night with parts of the big shipment.

The coal is bound for Cincinnati and other points along the lower Ohio river, and its conveyance all down the stream will be made possible by releasing pool waters above dams into the channels below.

Old river men say that artificial waves to pass fleets and boats through in low water times have been created for that purpose since the locks and dams were built, but not on such an extensive scale as was started several weeks ago, when thousands of tons of fuel was carried to western and southern points by means of the tides.

BISHOP CANDLER'S ADDRESS

Main Feature of Second Day's Session Of Conference of M. E. Church, South, at Lexington.

Lexington, Ky., September 6.—An address by Bishop Warren A. Candler, of Atlanta, chancellor of Emory University, was the feature of the second day's program of the ninety-seventh annual State conference of the Methodist Episcopal church, South, which is being held at the First Methodist church. Bishop Candler's subject was: "The Need for a Real Southern University and the Opportunities of the Southern Methodists to Establish One."

"Education is power, as is shown by the German nation today," Bishop Candler said. "Any nation that can carry Austria on one shoulder and Turkey on the other and hold the world at bay for three years, cannot help winning admiration." The present war is a war of science, which accounts for the success so far of Germany, the speaker said.

Power, the speaker said, may be good or bad, helpful or hurtful. "The education of the German universities has produced a group of statesmen so devoid of ethical life that they treat sacred treaties as 'scraps of paper.'"

Bishop Candler showed that if the world regarded treaties in the same light that the Germans did civilization would soon be a dead letter as contracts, marriages, acts of Congress and the like would all be of no value.

According to the speaker, many American universities are as rationalistic as the German institutions, and he said that they will produce fruit equally as vile. He told of the importance of having the faculties of universities religious in order that the students will not be led to doubt in a personal God and to spread this doubt broadcast in all the high schools of the country in which they teach.

He said that a large percentage of the heads of large universities did not believe in a personal God and told of the evil they were doing to the youths of America by their teaching.

The speaker told of the advantages a denominational institution had over a State university because of the fact that the faculty of the former could teach the plain truth without having to fear the legislatures which give appropriations to the State universities.

"The South needs at least one really great university—one that is financially strong as Yale, Harvard or Columbia. The great university of the South should be distinctly religious and to make such an institution some great church must form one and control it."

The speaker told of the backwardness of the South in higher education and because of this brilliant men are leaving every year to take positions with one of the large Northern colleges in order to show that the South did not possess a real university, he said that there was "no knowing man who would care to receive his doctor of philosophy degree from any university in the South."

The New England States, with less than 7,000,000 people, have more big universities than there are in all the Southern States, with a population of 23,000,000. The bulk of the endowments which are annually to educational institutions go to one of the Northern universities, while the South receives less than any other section of the country.

The speaker said that he was not a sectional man, but that there were many excellencies of the South and every other part of the country which must be preserved. In the South exists the purest form of religion—a religion which has not been polluted by German rationalism as has the religion in some parts of the United States.

Great Britain's glory, he said, is due largely to the fact that she believes in making the best type possible of the Welsh, Irish, Scotch and every other people under her government.

Most of this morning session was taken up by routine work and reports of the various delegates. This afternoon and every afternoon during the conference Rev. O. E. Goddard, of Galveston, Tex., will deliver a sermon.

Rev. M. Goddard's sermon on "The Most Successful New Testament Church" was the feature of Wednesday's program. He took the church at Antioch as an example and showed how it had grown from a small institution until it became the religious center of the world. The Antioch church retained this supremacy until it was supplanted by the Church of Rome in the fourth century of the Christian era.

At a meeting yesterday of the Advertising and Publicity Committee in connection with the Maysville Tobacco and Corn Fair, arrangements were made for the printing of auto banners and flags to give wide publicity throughout surrounding counties for Maysville's big fair to be held this fall.

OUR COLORED CITIZENS

John Henry Savage, aged 52 years, died of a complication of diseases at his home on Walnut street yesterday morning. The funeral will be held from his late home Saturday morning at 10 o'clock. Burial in the Maysville cemetery.

In order to convince and assure the colored people—men and women—without steady work that the stemming factory of the American Tobacco Company is a proper place in which to work, Miss Frances Strawder and Mrs. J. E. D. Woods, two of our colored teachers, will also begin working in the stemming factory Saturday, September 8. Our other colored teachers would also go there, were they not employed on Saturdays elsewhere. Miss Allie Young getting breakfast and supper each day while teaching school for a nice white family.

We are not asking the colored men and women, young and old, who already have steady work either on Saturdays or at other times to quit their places and come there. It is those who do not work at all or who do not have steady work. I consider it the best chance to work and the best wages offered thus far to the colored people without work at all or without steady work. As I said in yesterday's statement, that the stemming factory is perfectly sanitary, separate toilets, etc., for men and women, that Superintendent Thomas and his assistants are perfect gentlemen, that the conduct of those working there is perfect and that the work is easy, clean and respectable. There are separate rooms for colored and white and colored men and women work on separate benches.

I know Mr. M. M. Gary, the manager of the American Tobacco Company here personally, and can say for him that he is our friend and one of the best men in the world to work for and to work under. Ask any colored man who ever worked under him. Mr. Gary informs me that many of our best people are now working there and that he will give work to every man and woman who asks him for work. W. H. HUMPHREYS.

An Ansco Kodak is lost—has been lost for some time. It was the property of William Gordon Smoot, who is now in the U. S. Navy at Norfolk, Va., doing duty as a member of the old Seaman's Guard. He would feel deeply grateful for the return of this Kodak or knowledge leading to its recovery. Who will find it and return it to his father?

Miss Elizabeth Hunter left Wednesday afternoon for a visit of several weeks at Boston, Mass.

IMPORTANT NOTICE

At the recent special session of the Legislature of Kentucky a law was passed levying a tax of one-tenth of one per cent on the individual deposits of banks and providing that the bank may charge the tax to the depositors.

We take this means of notifying the public that

This Bank Will Pay This Tax for Its Depositors

out of its own funds and therefore all money deposited in this bank will be free from all State, County and City Taxes.

Your money in this bank, on and after September 1, 1917, will be tax free, but will be subject to a tax of 40 cents on each \$100, if you keep it at home.

We will continue to pay interest at the rate of 3 Per Cent, in our Savings Department.

PREPAREDNESS!

Being prepared was the object I had in view when making the large purchases of unusually GOOD QUALITY FURNITURE for my fall and winter trade. Among the first to arrive and now being placed on sale are DAVENPORTS, DUOFOLD SOFA BEDS and DAVINET SUITS.

A large, comfortable Davenport, made of solid oak, and a full-sized Mattress, priced from \$28 to \$35.

A Duofold Sofa Bed, covered with Genuine Chase Leather, with a large 25-pound Petted Mattress, priced for only \$26.85.

A Davinet Suite, consisting of Davinet Bed and Mattress and a large, roomy, comfortable Chair and Rocker to match, priced from only \$38 to \$65.

MUST BE SEEN TO BE APPRECIATED.
